Progressive Parish Provision

## NEWSLETTER

EDITION 6 JUNE 2000

### Best kept village.

The Council has entered the village into the 'Best Kept Village Competition'. This is seen as a chance for us to improve our communal environment.

We are not going to organise or regiment our preparations, as other villages do. However we would ask you to tidy and improve the area around your home. If each householder spent a few hours clearing the area around their home and garden then the village will look better.

### Local plan.

It is important that you find out about the local plan, and register your ideas with Gedling Borough Council **before 3rd July 2000**,

**Comments either supporting or objecting to the proposals should be made on the official response forms, but please note that a separate form is required for each comment you wish to submit.**

Many of you will realise that the plan does not only cover green belt housing, although that might be the impression you would gain from the newspapers. The plan deals with proposed policy about transport, recreation and open spaces, shopping, employment, environment, as well as planning and housing. Once implemented, it will affect all of us for many years.

Please take the time to find out the proposed policies and make your feelings known. You don't have to object to anything or everything. You could register your support for various policies.

Maureen Barker has copies of the response forms

### Photo competition.

Entries to Margaret Passey, 28 Main Street by 30th June. **NOTE: All photos will be on display on Friday, 21st July from 6.30 onwards when the prizes will be awarded by our MP & Denis Robinson.**

### Moor Pond Wood.

As you know there was a meeting on 31st May to discuss the proposals to manage and improve Moor Pond Wood. This is a project that has the potential to improve our local environment and offer a recreation amenity.

It has been agreed to establish the 'Friends of Moor Pond Wood'. Would you be willing to do anything towards the project – publicity, planning, conservation work, plant and wildlife audit, apply for grants, offer grants or materials, in short **anything**.

Please contact the Clerk if you are interested in finding out more or offering assistance.

### Papplewick was runner up in the Keep Britain Tidy Campaign photographic competition.

### Street Party.

The event has been organised for Sat. 15th July. It will run from 3-5 pm and providing the weather is fine it will be held on Main Street. If wet the location will switch to the Village Hall.

Please bring a contribution of a plate of food for the tea table, either sweet or savoury. There will be games and entertainment for the children.

There is a barn dance in the evening for the 'grown ups' from 8-11pm. It will be held at Hall Farm, Linby with a Hog Roast and a bar.

Admission is strictly by ticket only, and open only to residents of Papplewick & Linby. Cost £5. Have you ordered a ticket?. If not contact:
