Not available.

45/11 *ANY OTHER BUSINESS*

a) Pavements

At a previous meeting resident Margaret Kerr had mentioned that European Funding may be available to carry out work on the pavements in Main Street and other areas of the parish. She provided the Council with details of the person to contact, our MEP, so that a letter could be sent to ask what funding might be available.

b) Conservation Area

- Resident, Mr. Taylor, had collected a petition from several Forest Lane residents against the proposed extension of the conservation area. The petition would be sent to Gedling Borough Council.
- It was emphasised that the gap between Papplewick and Linby must be preserved.
- The views from Moor Pond Woods were already in danger if the proposed housing development went ahead behind the Vaughan estate.

The meeting ended at 7.42 pm

Signed Chairman
